

## *View your mail on-the-go!*

Great News for Bash Foo Entrepreneur Center Members!

We have teamed up with Anytime Mailbox, which allows you to view and manage your mail on-the-go. You no longer have to come into our office, just to find an empty box. Sign up online or call us today!

## *How does it work?*

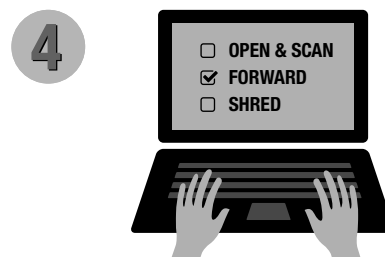

**We simply take a photo of your new mail, whether it's an envelope or package.**

**We then upload all new images to our secure Anytime Mailbox portal.**

**You are alerted when new snail mail arrives. It can be viewed and managed by using your mobile device or computer.**

**We can easily manage your mail handling requests. All you need is a connection to the Internet.**
